INDEX—HEZEKIAH.

Index of persons in Hezekiah's line is by pages. Though a name may occur more than once on the page, the name will be indexed but once on that page.

The same rule is observed in indexing places as in indexing persons. The name of a place is indexed but once on a page.

INDEX.—MILITARY RECORDS.

The index of persons in the Military Record is by pages. Though a name may occur more than once on the page, the name will be indexed but once on that page.

The same rule is observed in indexing places. The name of a place is indexed but once on a page.
